

*O God of truth and justice, we hold before you those people who have been injured or died in active service. As we honour their courage and cherish their memory. May we put our faith in your future; for you are the source of life, peace and hope, now and forever.
Amen.*

Thirty Third Sunday in ordinary Time
Remembrance Sunday 14th November 2021

A Prayer of Remembrance

Almighty and eternal God,
 from whose love in Christ
 we cannot be parted,
 either by death or life:
 hear our prayers and
 thanksgivings for all whom we
 remember this day;
 fulfil in them the purpose of
 your love; and bring us all,
 with them, to your eternal joy;
 through Jesus Christ our Lord.
 Amen.

Saints of the Day

16th November: St Edmund of Canterbury 1175 –1240. Known as Edmund of Abingdon, he was a merchant then became a monk. Teaching arts at Oxford University he was the first Oxford master to be canonised. He was appointed Archbishop of Canterbury in 1233. Although he did not find administration and politics to his liking, he became a notable and effective reforming bishop. He died in France on his way to see the pope.

16th November: St Margaret of Scotland, or Margaret of Wessex, was an English Princess born in Hungary to Princess Agatha of Hungary and English Prince Edward the exile around 1045. Malcolm Canmore III, the king of Scotland, welcomed Margaret and her family and put them under his protection. He soon fell deeply in love with the beautiful and kind princess. Margaret and Malcolm became married in 1070 at the castle of Dunfermline. Together they had eight children, six sons and two daughters. In 1093, Malcolm and their oldest son were killed during the battle of Aynwick. Already ill and worn from a life full of austerity and fasting, Margaret passed away four days after her husband, on November 16th, 1093. Her body was buried before the high altar at Dunfermline.

17th November: St Hilda. Born 614, Hilda was baptised in 627 at the age of thirteen by St Paulinus of York. Hilda lived as a lay woman until age 33 when she became a Benedictine nun at the monastery in Chelles in France. She became abbess of Hartlepool and then Whitby which under her leadership became a centre of learning, literature and arts. Hilda followed the Celtic liturgy and rule, but many houses had adopted the continental Benedictine rule and Roman liturgy. Hilda conveyed a synod in 664 to establish a single rule. The synod settled on the Roman and Benedictine and they were adopted throughout England.

17th November: St Hugh of Lincoln. Hugh was born in Burgundy about 1135 and early in life became a Carthusian. When the Charterhouse at Whitham, near Frampton was founded, he was sent by King Henry II to take charge of it. At first he refused to become Prior because people had been evicted from their homes to make room for the new buildings. Only when they had been compensated did he assume office. In 1186 he was appointed to Lincoln, the largest diocese in the country, which had been vacant for 16 years. He was active and lively and proved a good bishop. Injustice quickly aroused his anger.

18th November: Dedication of the Basilicas of Sts Peter and Paul. The tomb of St Peter in the Vatican was the site for the great basilica of St Peter built by the Emperor Constantine about 330. The basilica of St Paul was built about the end of the fourth century. These two sites have always been centres of pilgrimage honouring the two great apostles.
