## EASTER SUNDAY YEAR A

### 9th April 2023

### A MESSAGE OF HOPE

This message of hope is especially important in our world today, where there is so much suffering, pain, and despair. We are all touched by the effects of sin and death, whether in our own lives or in the lives of those around us. But the Resurrection of Jesus offers us a way out of this darkness. It reminds us that death is not the final word, and that God never abandons us, even in our darkest moments.

As we celebrate Easter, we are called to let go of sin and selfishness, and to embrace the new life and hope that Jesus offers. We are called to let Easter change our hearts and transform our lives, so that we may become more fully the people that God created us to be. We are called to be bearers of hope and agents of new life, bringing the light of Christ to a world that is so often shrouded in darkness

Hoping you have a joyous Easter and special happiness throughout the coming year. May the joyful Easter story give you faith and hope anew and may God bestow his blessings and his wondrous love on you.

Father Colin, Deacons Adrian and Sean,  
Sisters Pat and Maureen, & Brenda, Maureen and Robert.
