## The Exaltation of the Holy Cross 14th September 2025 Year C

The Feast of the Exaltation of the Holy Cross remembers the Cross of Jesus. It has been celebrated by the Church for centuries. The feast began in the 4th century, when the True Cross was found by St. Helena, the mother of Emperor Constantine. Tradition says she found the Cross in Jerusalem, where Jesus was crucified. This discovery made a deep impression on Christians and led to honouring the Cross in a special way.

The feast celebrates the Cross because it is the symbol of our faith. The Cross shows us how much Jesus loves us. He died on the Cross to save us from our sins. In Christian tradition, the Cross is a sign of hope, even though it was an instrument of death. It reminds us that Jesus turned suffering and death into victory and life.

We celebrate this feast on September 14. On this day in the year 335, the Church in Jerusalem dedicated a new church built on the site where Jesus died and rose from the dead. The church was built to honour both His crucifixion and His resurrection. Every year since then, the Church remembers this day and the power of the Cross.

The Feast of the Exaltation of the Holy Cross is a time to reflect on what the Cross means to us. It is more than a symbol. It is a reminder of God's love and mercy. By celebrating this feast, we honour the victory Jesus won for us through His death and resurrection.

## Saints of the Day

**16th September - Ss Cornelius and Cyprian.** Cornelius became Pope in 251. At that time, there was dissension within the church concerning the reconciliation of those who had lapsed. Strongly supported by Cyprian, Cornelius asserted that the Church does have the power to forgive Apostates and other sinners, and admit them to communion after penance. When persecution once again was renewed in 253 he was banished and died soon after. Cyprian called him a martyr and later accounts say that he was beheaded. Cyprian (c.200-258) became bishop of Carthage three years after his conversion to Christianity. He was faced with the Decian persecution and became an exile from his diocese although he continued to rule by letter. He was later executed under Valerian.

**17th September– St Robert Bellarmine,** 4th October 1542- 17th September 1621 was an Italian Jesuit and a Cardinal of the Catholic Church. He was one of the most important figures in the Counter-Reformation. He was canonized in 1930 and named a Doctor of the Church.

**19th September - St Januarius.** Januarius was born in Italy and was bishop of Benevento during the Emperor Diocletian persecution. Bishop Januarius went to visit two deacons and two laymen in prison. He was also imprisoned along with his deacon and lector. They were thrown to the wild beasts, but when the animals did not attack them, they were beheaded. What is believed to be Januarius' blood is kept in Naples, as a relic. It is said to liquify and bubble when exposed in the cathedral. Scientists have not been able to explain this miracle to date. St. Januarius lived and died around 305 A.D.

**19th September - St Theodore of Canterbury.** Born at Tarsus (Turkey) about 601, Theodore died at Canterbury on this day in 690. A Greek by birth, Theodore was a monk in Italy who was not ordained priest until he was appointed Archbishop of Canterbury by Pope Vitalian in 666 at the age of 65. He arrived in England in 669, and for the rest of his life reorganized and reformed the life of the Church throughout the country. He is remembered for his scholarship and for his bringing unity and organization to a divided church.

**20th September –Ss Andrew Kim Teagon, Paul Chong Hsang and his Companions.** The evangelization of Korea began during the 17th century through a group of lay persons. A strong vital Christian community flourished there under lay leadership until missionaries arrived from the Paris Foreign Mission Society. During the terrible persecutions that occurred in the 19th century, 103 members of the Christian community were martyred. Outstanding among these witnesses to the faith were the first Korean priest and pastor, Andrew Kim Taegon, and the lay apostle, Paul Chong Hasang. Among the other martyrs were a few bishops and priests, but for the most part lay people, men and women, married and unmarried, children, young people and the elderly. All suffered greatly for the faith and consecrated the rich beginnings of the Church of Korea with their blood as martyrs.
